The listed devices are approved for use in Iowa effective February 1, 2018. This list supersedes any previous list of approved devices.

This list represents devices that have been approved by the Commissioner of Public Safety as of the effective date of this notice. This list is published for the convenience of the public. The Commissioner may approve other devices in the future. This list will be updated periodically to show any additional devices that have been approved. You may contact the Iowa Division of Criminal Investigation Criminalistics Laboratory to inquire whether the Commissioner has approved any additional devices.

Any manufacturer of a portable breath screening device may apply to have the device approved for use in the State of Iowa. Contact the Iowa Division of Criminal Investigation Criminalistics Laboratory at the following address for instructions:

Iowa Department of Public Safety  
DCI Criminalistics Laboratory
