

# Iowa State Energy Code Statement of Review Form

<b>State Use Only</b>	
Date Received	_____
Acceptance #	_____

**Statutory Authority: Iowa Code 103A.19 and Administrative Rule 661-303.1(3):** The plans and specifications for all buildings to be constructed after July 1, 1977, and which exceed a total volume of 100,000 cubic feet of enclosed space that is heated or cooled, shall be reviewed by an Iowa registered architect or licensed professional engineer for compliance with applicable provisions of the 2009 International Energy Conservation Code (IECC). A statement that a review has been accomplished and that the design is in compliance with applicable provisions of the 2009 IECC shall be signed and sealed by the responsible registered architect or licensed professional engineer. This statement shall be filed with the State Building Code Commissioner prior to construction.

**Form Purpose:** This form is to be used by Iowa registered architects and licensed professional engineers to show compliance with Iowa Code 103A.19 and Administrative Rule 661-303.1(3), in the design of buildings which are subject to this law.

**Form Instructions:** The completed form is to be signed and sealed by the responsible registered architect or licensed professional engineer and then forwarded to the State Building Code Bureau, 215 E. 7<sup>th</sup> St., Des Moines, IA 50319-0047, along with a filing fee of \$25. Checks for the filing fee are to be made out to the Treasurer, State of Iowa. Properly completed forms will be assigned an acceptance number and entered into an electronic database.

Name of Building (if applicable): \_\_\_\_\_

Address of Building \_\_\_\_\_  
\_\_\_\_\_

This building is defined by Chapter 2 of the 2009 IECC as a:     Commercial Building     Residential Building

This building is defined by Chapter 3, table 301.1 as; Climatic Zone \_\_\_\_\_

I used the following method to determine compliance with the applicable provisions of the 2009 International Energy Conservation Code:

- Prescriptive Provisions of the IECC – (Attach Report)
